

29 1330-1430 Jun 90

Tasker JT4043

SG1B

2. Will a surface transfer occur?
3. If yes, where and when?
4. Describe any associated names, vessels, people, etc.

SG1B

The [REDACTED] will be involved in a surface transfer within the next three days.

The transfer will occur at geographical coordinates

16° 55' N
77° 45' W.

Some of the contraband may be off-loaded at Jamaica.

Air activity over Cuba may be planned.
